TOP GUN TRAINING COMPETITION
GREE

GREE TOP GUN TRAINING COMPETITION

TIME PERIOD OF COMPETITION: 15 week duration (8 weeks of actual competition)

START: Week of February 28, 2021
END: Saturday, June 12, 2021

HOW TO PLAY: I have created two video tutorials which are posted at GREEtraining.com in the TRAINING VIDEO LIBRARY (videos #21 & #22) which detail how to use the simulations and accrue points.

Video #21 can be viewed here…

https://www.youtube.com/watch?v=uE4aWaif58E&feature=emb_logo

Video #22 can be viewed here…

https://www.youtube.com/watch?v=grcehq7dX_w&feature=emb_logo

HOW TO GET NEW REGISTERED USERS: Interplay Learning has created a link to a simple form where people can register to use the simulations.

https://gree.interplaylearning.com/?gid=ahFzfnBsYXRmb3JtLTE1MTgyMXISCxIFR3JvdXAYgICAkd6JkQoM#signup

COMPETITION STRUCTURE: There are a total of 34 simulation covering 11 error codes.

- Week February 28, 2021 — E1 error code / 6 simulation
- Week March 14, 2021 — E6 error code / 5 simulations
- Week March 28, 2021 — F0 error code / 1 simulation; F1 error code / 2 simulations
- Week April 11, 2021 — F2 error code / 2 simulations; F3 error code / 2 simulations
- Week April 25, 2021 — F4 error code / 2 simulations; F5 error code / 2 simulations
- Week May 9, 2021 — H3 error code / 5 simulations
- Week May 23, 2021 — H6 error code / 3 simulations
- Week June 6, 2021 — L3 error code / 4 simulations

There is an open week in between each week of competition. Points will not be counted during open weeks.

HOW POINTS ARE EARNED: There are three modes of simulations…
TRAINING mode gives you the answers and directs you through the process of resolving the error.
CHALLENGE mode no longer gives you the answers but does give some guidance through the task.
ASSESSMENT mode leaves you totally on your own to resolve the error (real life).

A completed task in the TRAINING mode = 5 points
A completed task in the CHALLENGE mode = 10 points
A completed task in the ASSESSMENT mode = 20 points

Competitors (users) can accumulate as many points in one week for the assigned error / errors as they can…there is no limit. A week is Sunday to Saturday.

WHO CAN PLAY: Independent HVAC licensed installers and technicians located in the United States. GREE / Tradewinds employees, representatives and distributors are not eligible to win…they can participate but will not be named as winners.

WHO WINS: Each week three winners will be named based on the top three point earners.
First prize each week will be a GREE diagnostic tool (Debugger).
Second prize $50.00 gift card and third prize $25.00 gift card.

The final grand prize will be a complete GREE SAPPHIRE 12K single zone, mini split system.

Winners can only win one week…if one person is the high points earner multiple weeks, the user with the second highest number of points will be named winner and so on.

However, weekly winners are encouraged to keep playing for the duration of the competition because the ultimate TOP GUN winner will be the single contestant who has accumulated the most points over the entire duration of the competition thus making him / her the GREE TOP GUN Troubleshooter for 2021.

WHO IS THE FINAL JUDGE? Gerry Wagner, VP of HVAC Technical Training for Tradewinds Climate Systems, Inc. will be the final word on naming winners throughout the competition.

QUESTIONS? Contact Gerry Wagner, gwagner@twclimate.com
